

GR310, Spider baby, Aluminium lifter 2 - 3.5 mtr, 250 kg.

This is a extendable aluminum lifter from 2 to 3.5 m, 250 kg maximum. He has a special top so you can easy lift the glassplat from the truck, or place glass from the inside over heaters or window sills. This lift has a very low weight and can be used with a vacuum lifter with hand cups, like the lifter 1922.
